**PETITIONER'S OBJECTION TO COURT'S REPORT AND RECOMMENDATION**

Comes now Petitioner, Megan Hammers, in accordance with 28 U.S.C. §636 and Fed. R. Civ. P. 72 and presents her objection to recommendation for dismissal of her Writ for Habeas Corpus.

In order to preserve for appellate review Petitioner formally objects to decision(s) covering Grounds I, III, and IV, with request for abeyance of decision with Ground II as basis for request. This Court stated in Report and Recommendation that "Here, Petitioner offers nothing more than speculation regarding how expert witnesses *might* have testified in support of her defense. This type of speculation is insufficient to demonstrate prejudice." (Report and Recommendation Pg.13)

Petitioner requests this Court to grant extension of time to allow her to provide an expert witness report to substantiate her claims for this Courts consideration. Petitioner requests this Court to appoint Counsel to assist her in procuring the report due to her incarceration.

In the alternative Petitioner requests this Court to remand with direction to procure expert witness report within a reasonable amount of time or dismiss without prejudice so she may file a successive petition in the future.

WHEREFORE, Petitioner prays this Court to grant her request for abeyance, remand or dismissal without prejudice. Respectfully Submitted,
